AMERICAN ACADEMY IN ROME

JOIN THE AAR PATRONS

Patrons are individuals who are passionate about the arts and humanities and the interdisciplinary, international context of the American Academy in Rome. Participation is at two levels: President's Council and Chairman's Council. Dues support the mission of the Academy, and Members benefit from a rich and exclusive program of events in New York and Rome drawn from the work of Fellows and Residents.

Since its founding in 1894, the AAR has provided the time and space for America's most talented scholars, artists, composers, designers, writers, and architects to create, collaborate, reflect, and learn within a dynamic international community in the heart of Rome.
